Los Angeles, California

It's an exciting semitropical city of palm trees, swimming pools, television studios and aerospace factories. Los Angeles is one of the world's most exciting cities and the movie-making capital of the world. Wherever you visit, from ritzy Beverly Hills to the wondrous Hollywood Bowl, you'll have an unforgettable stay.

The One Thing You Don't Want to Miss

No trip to L.A. is complete without a stop in Disneyland. This world-famous park has been a favorite of children - and adults - for generations. While you're there, you should stop by Disney's California AdventureSM park. This newest Disney park is an idealized version of California, from its gold-mining history to its colorful present.

Prices quoted are per person, double occupancy, before any taxes, fees, or charges, unless otherwise indicated. As with all travel, pricing is subject to change until booked / ticketed; even then, such items as surcharges or fees (for example, for fuel) may be added by airlines, hotels, and other travel supplier companies. Cabo San Lucas, Mexico

Once referred to as the "millionaire's sandbox," Cabo San Lucas is Mexico's jewel resort at the very tip of the Baja Peninsula. Its remote location and unspoiled beauty make this a seaside paradise.

The One Thing You Don't Want to Miss

Paddle across San Lucas Bay, past Pelican Rock and around Los Arcos in a kayak. Then head for the place where the Sea of Cortez kisses the Pacific Ocean at the famous Lovers Beach. Appropriately named, this hidden cove has snorkeling and beautiful rocky cliffs that you will fall in love with.

Mazatlán, Mexico

An exciting mixture of old and new Mexico, Mazatlán has been blessed with a harbor of natural beauty. The neighboring mountain range rises as a majestic backdrop for this scenic city. As Mexico's first major resort community, Mazatlán owes its continued popularity to vast unspoiled beaches, first-class resorts and friendly people.

The One Thing You Don't Want to Miss

Take in the charming and historic sights on a tour of the city. Stop to do some shopping at Mazatlán's Golden Zone, home to Mexican and Indian handicrafts. It's a great way to celebrate the colors, songs and dances of ancient and colonial Mexico.

Puerto Vallarta, Mexico

This once-sleepy fishing village became a popular resort after *The Night of the Iguana* was filmed here in 1964. Nestled on the 28-mile curve of Banderas Bay, Puerto Vallarta has steadfastly held on to its character. Red tile roofs and rows of balconies, spilling over with colorful bougainvillea, still line its cobblestone streets. A pleasure for both the eye and the camera.

The One Thing You Don't Want to Miss

Take advantage of a rare opportunity to get up close and personal with our intelligent finned friends at the Dolphin Adventure Center. You'll be given an introduction to these friendly mammals. Then you'll actually have the chance to swim with them in a specially designed pool.
